

## Latitude 15 3000 Series Model 3550

### Business-class computing starts here.

Thinner and lighter than the previous generation and backed by enterprise-class support, the Latitude 15 3000 Series offers the essential features of a business-class laptop, providing the right balance of mobility, productivity, and affordability.

End users will stay productive with the latest 5th generation Intel® Core™ processors, up to 1TB of storage, option for Full HD or touch display and a spill resistant keyboard with optional backlit. And IT will value the security, manageability, and outstanding reliability of Latitude, including 24/7 access to support with optional Dell ProSupport™.

It's also well-equipped with a portfolio of accessories for on-the-go or at-the-desk productivity when essential.
