> TOSHIBA PORTÉGÉ Z30-B

HIGH PERFORMANCE GOES ULTRA-MOBILE

With an ultra-thin, premium design that travels light and is professional through and through, the highperformance 33.8 cm (13.3") Toshiba Portégé Z30-B was made to keep business moving. A long-lasting battery and 5th-generation Intel® Core™ processor for Ultrabook™ will help you power through the working day - while the ultra-light form and full-size ports give you all the flexibility you need on the go. The Z30-B's ultra-durable magnesium chassis has been rigorously drop- and spill-tested by the independent German test institute, TÜV Rheinland®. And because it also comes with high-level security and manageability technologies, your business-critical data will be protected along the way too. Our latest business line-up features the same design, docking, software image and many other common features too. So you can be sure of a consistent, compatible and customisable solution right across your company. Built to perform and designed to move, the high-performance Portégé Z30-B was made to be ultramobile.
