Quick Start Guide

Charging your headset

While charging the headset, the battery indicator will show solid red. When the headset is charged, the battery indicator will turn solid green and turn off after 5 minutes. Charging time is approximately 2 hours.

Turning your headset on and off

Slide the "on/off" button to turn the headset on or off.

Pairing the headset with your phone

First time pairing: Turn headset on - automatic pairing mode when Bluetooth connection indicator is flashing blue.

Later pairing: Turn headset on. Press and hold the answer/end button until Bluetooth connection indicator is flashing blue. Activate Bluetooth on your phone. Then set your phone to search for Bluetooth devices and select Jabra EASYVOICE. Press 'OK' on the phone and if you are asked for a PIN code, confirm with PIN 0000.

Voice Guidance

Connection

When your headset has successfully established connection with your phone and is ready to be used, the Voice Guidance will say "connected".

Battery Low

When your headset has battery for less than 30 minutes the Jabra Voice Guidance will say "low battery". This message will be repeated with a ten minute interval.

Using your headset

Answer a call – Tap the answer/end button on your headset.

End a call – Tap the answer/end button to end an active call.
