

## The exceptional value colour printer with automatic duplex printing and media flexibility

The C301dn colour printer offers outstanding High Definition colour quality with truly versatile paper handling and automatic double sided printing as standard. Highly affordable, it's fast, reliable and has a network interface built-in making it perfect for a micro business or small office.

Printing day-to-day business documents in colour or black and white is fast and efficient with the C301dn.

### Versatile in-house printing that reduces your costs

Incorporating OKI's digital LED technology with its flat paper path, the C301dn can print everything from letters and reports to business cards, CD labels, posters, flyers and banners. Users can get creative and save money by producing marketing material and other customer facing documents in-house. A task made easy with the help of OKI's unique Template Manager software.

- Duplex as standard, for in-house professional printing
- Flexible media handling: from A6 to 1320mm banners; card stock up to 220gsm
- ProQ2400 multi-level output quality, 1200 x 600dpi print resolution
- Microfine High Definition toner for superb print quality

### Efficient working that improves productivity

A fast first page out time and rapid throughput means users will not have to wait for their documents. Automatic double sided printing is standard to make life easy with a generous paper tray keeping user interventions to the minimum. Plus a convenient multi-purpose tray (MPT) lets you print specialised media.

- Time to first print, 9 seconds colour, 8.5 seconds mono
- A4 print speeds of up to 20ppm in colour and 22ppm mono
- Standard paper supply of up to 250 sheets, plus 100 sheet MPT
- Host based (GDI) printing utilises the full processing power of your Windows PC or Mac
- Network ready for sharing in the workgroup
- Template Manager, OKI's free design software makes it easy to format and print a wide range of specialised documents in-house
- Mobile printing from smartphones, iPhones, iPads and other devices

### Features that reduce your costs and impact upon the environment

- Eco mode automatically adjusts print speed and fuser temperature to save energy and time on 1 and 2 page print jobs
- Deep Sleep mode – reduces energy consumption to less than 2W
- Auto-Off mode automatically powers down from Deep Sleep mode after extended periods of non-usage, delivering big reductions in power usage over the product's life
- Duplex as standard, saves paper by printing on both sides
- Toner Save reduces toner usage when printing draft or internal documents
- Free consumables recycling programme

<sup>1</sup>Check local OKI website for latest driver releases and OS compatibility; <sup>2</sup>Windows only; <sup>3</sup>Including all consumables; <sup>4</sup>Downloadable from [www.oki.co.uk](http://www.oki.co.uk)

**Consumables Information:** For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

## 3-Year Return to Base Warranty

Our devices are manufactured to the highest standards of quality and technology, which has been confirmed by independent tests. We are so convinced of the high quality of our products that we are offering you an extension of the standard warranty period to 3 years at no extra cost to you.
