Pocket Power

With a high-density design, the Trust Pacto HD Powerbank 10.000 proves that you don't need to be big to deliver a lot of power. The compact powerbank weighs just 200 grams and will easily fit into your bag or pocket, while maintaining an impressive capacity.

Stay Online

The powerbank's 10.000 mAh capacity will make sure you won't lose power on the road. You will be able to charge your phone up to 4 times: that means up to 46 hours of extra phone hours or 12 extra hours on your tablet. ** Depends on brand/model and battery condition. For indication only

Highly Compatible

Speaking of phones and tablets: the powerbank is suitable for all of them, including models from Apple, Samsung and Huawei. Besides that, any USB-powered device, such as Bluetooth speakers, wireless headphones or cameras, can be charged with the powerbank. The two USB ports even allow two devices to be charged at the same time.

The Quickest Charge

Whether it's an iPhone or a Samsung Galaxy, the powerbank delivers maximum power to all your devices. ** The smart technology will make sure you won't have to wait a long time before your battery is up and running again. ** Charging speed varies between devices

Know When to Charge

The smart LED indicator on the powerbank will keep you updated on the status of its battery, so you will always know when it's time to recharge. When that time comes, you can quickly recharge the powerbank with the included micro-USB cable.
