Let's Get Loud

Enhance the sound of your PC or laptop with this universal speaker set. With an easy installation and quality sound, the Trust Orion 2.0 Speaker Set is an ideal audio solution for any computer.

Quality Sound

With an output of 18W RMS, the speakers provide a rich sound boost for games, videos and music. The set may be compact, its sound makes a big impression.

Dial It Up

The compact speakers will easily fit onto any desk. Controlling the set is just as simple, thanks to the easy to reach buttons for volume and bass control. With a headphone and an aux port on the front, you can listen in total privacy, or connect a tablet, phone or other device to the set.

USB-Powered

The speakers don't need wall power to turn on. Simply connect the USB cable to your PC or laptop and you will be able to enjoy the set's quality sound.
