

ideapad FLEX 5i (14", 15")

ACCESSORIZE YOUR LIFESTYLE.

The new Lenovo™ **IdeaPad™** Flex 5i offers more ways to connect, interact, and immerse yourself making it a powerful combination of performance, connectivity, and entertainment with up to a 11th generation Intel® Core™ i7 processor. Enjoy crisp visuals on the FHD display along with the rich sound of user-facing, Dolby Audio™ speakers all while connecting with up to Intel® WiFi 6.

WHY YOU SHOULD BUY THE LENOVO IDEAPAD FLEX 5i (14", 15")

Reduce the clutter

A narrow bezel on 4 sides gives you more viewing area and less clutter to interfere with the task at hand, whether that's at work, or play, enjoy the most out of your screen with IPS panel technology and up to Full High Definition screens on the **IdeaPad** Flex 5i.

Peek-proof privacy at your fingertips

Today's world is not a simple place, but that doesn't mean we can't build a simple solution to a complex problem. A physical shutter on the webcam ensures you keep out unwanted attention when you are concerned about your privacy.

Create till your heart's content

With an optional digital pen on select models, the **IdeaPad** Flex 5i lets you capture moments of inspiration or take notes on the fly. This versatility gives you the option to use your computer the way you want to use it with the extras like Intel® WiFi 6 and long battery life, it lets you do it where and for how long you want to as well.

From zero to 360° in a flash

The **IdeaPad** Flex 5i is designed for you to keep your ideas flowing, anywhere, anytime with the ability to multi-mode your laptop and use it in 'Laptop' mode for everyday computing, 'Tent' mode for sharing things, 'Stand' mode for binge-watching, or 'Tablet' mode for more intuitive interaction.

REDEFINING WHAT'S POSSIBLE.

With up to 11th generation Intel® Core™ i7 mobile processor, it's now possible to enjoy incredibly immersive entertainment on a remarkably thin and light laptop.

- Mirkat

¹ All battery life claims are approximate and based on two methods of testing: MobileMark® 2014 battery life benchmark and continuous 1080p video playback on the latest update of Windows 10 (with 150 nits brightness and default volume level). Actual battery life will vary and depends on many factors such as product configuration and usage, software use, wireless functionality, power management settings, and screen brightness. The maximum capacity of the battery will decrease with time and use.

² Available only for 14" model.

³ Numpad is available only for 15" model.

⁴ The actual transfer speed of the USB 3.1 Gen 1 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 5 Gbit/s.

⁵ Available on certain models only.

LENOVO SERVICES

Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as

minor spills, drops or damage to the integrated screen.

Warranty Extensions (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.
