Mi Smart Speaker

Smart Control Hub

With the speaker, you can control Mi smart devices, including TV, TV box, TV sticks, air purifiers, vacuums, cameras, bulbs, lamps, smart fans, smart plugin, projector and so on.

Stereo Sound

Pair two together in the same room for stereo separation and more detailed sound. You can also pair more for surround sound.

Voice Control

The Google Assistant and Chromecast are built right in so you can play music, check news, set alarms, get your questions answered and more, completely hands free.

Plentiful Music

Enjoy the most famous music services with just an ask away, like Spotify, Youtube Music, Pandora, Deezer and Google Play Music.

Brilliant Sound

Enjoy clear, richly detailed sound that fills the room at any volume. It also supports DTS Customized Sound.

Compact Design

With a touch panel, a metal body and a LED indicator ring, it fits right in to any space in your house.
