5 - Battery is not included.

Two units of AAA batteries are required
6 - Download EZCast app from Play Store or Apple store.

Light weight

Ultra-light

Sometimes, we just need to pick up and go at a moment's notice. This lightweight projector lets you do just that. At just 350g and 150 x 150 x 32 mm, the PV10 is not much bigger than your passport. Pack up the projector and get where you're needed.

Wireless Projection

Wireless Projection

Break free from the clutter of wires with easy wireless projection. With built-in wireless function, you can connect your Android² or iOS³ device and projector in wireless signal. Use your device to view content in a multitude of ways by EZCast⁶ app, such as video viewer, document reader or through mirroring.

Up to 5-Hours
Battery Life

Embedded Battery

Take PV10 anytime, anywhere without being limited by power socket or carrying heavy adapter. Enjoy full-length films with up to 5 hours of renewable battery life on a single charge. PV10 can also double as a 9,000mAh power bank for your smart devices.

Mobile USB Display

USB Display

Besides display via HDMI cable, PV10 offers USB as an additional display option for both Smart device & PC. Image can be displayed directly over USB cable from an Android²/ iOS³ device or Windows/ Mac PC⁴.
