

# HP Color LaserJet Smart Print Cartridges for the 4600/4650 printer series

## Consistently outstanding colour print quality

- Accurate colour, precise image reproduction and crisp, sharp text every time you print. Chemicallygrown toner formulas in HP Color LaserJet print cartridges deliver consistent results and reliable performance throughout the life of the cartridge.

## Reliable performance saves time and increases productivity

- Save time and overall printing costs with high-yield, all-in-one HP LaserJet print cartridges. This means less time wasted on printing problems, higher productivity and more cost-effective printing.

## Easy to install and maintain

- Enjoy low maintenance, trouble-free printing with HP Color LaserJet print cartridges. Smart system technology in HP print cartridges and your printer makes HP supplies easy to install and maintain.

## Target audience

- Small to medium workgroups who want to produce high-impact or high-value documents such as proposals, presentations, mailings, reports and newsletters at an affordable price.

Accelerate your business with proven colour performance for workgroups in a simple, efficient design. Produce professional-quality documents at the same speed as black and white.

## Improved electro-photographic process

HP smart printing technology guarantees consistently high-quality results through an improved electro-photographic process that detects environmental printing conditions such as temperature and humidity. Customers do not need to change their print settings as the print cartridges' electro-photographic voltage is automatically adapted to consistently deliver excellent printing results, even in extreme climate conditions.
