## THE BEAUTY IS IN THE DETAILS

Feature a WQHD panel that supports resolution up to 2560x1440. This 16:9 panel allows gamers to examine bigger game scenes compared to other traditional FHD panels, and provide an immersive gaming experience.

# Smooth Game Play

## Smooth Rapidity and Accuracy

Equipped with a 180Hz refresh rate and 0.5ms (GtG, Min.) response time which has the benefit in fast moving game genres such as first person shooters, fighters, racing sims, real-time strategy, and sports.

Without  
Anti-Flicker

## See Clearly, See Comfortably.

Anti-Flicker and Less Blue Light technologies provide a very comfortable viewing experience by reducing the amount of flicker and displaying lower levels of blue light. You can game for longer periods without experiencing eye fatigue.

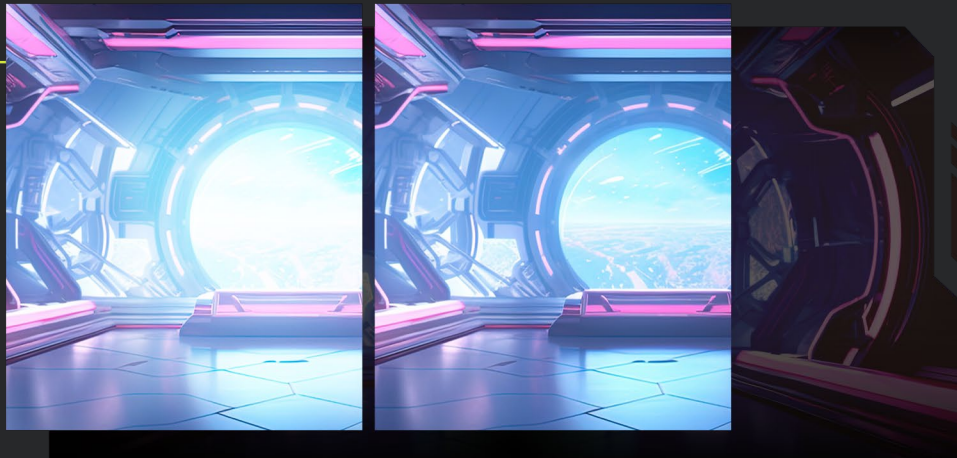

## Smoothen Out Your Gameplay

The MSI Gaming Monitor is built with Adaptive Sync technology to achieve the smooth visuals for your gameplay. Adaptive Sync technology will sync the refresh rate of your monitor with your GPU to eliminate screen tearing or stuttering. The ultra-smooth and lag-free visuals that Adaptive Sync provide will allow you to enjoy the game the way it was meant to be enjoyed.

# AI Vision

The new AI Vision technology can not only reveal details in dark areas but also enhance overall brightness and saturate colors, bringing brightness to your day.

AI Vision OFF

AI Vision ON

# CONSOLE MODE

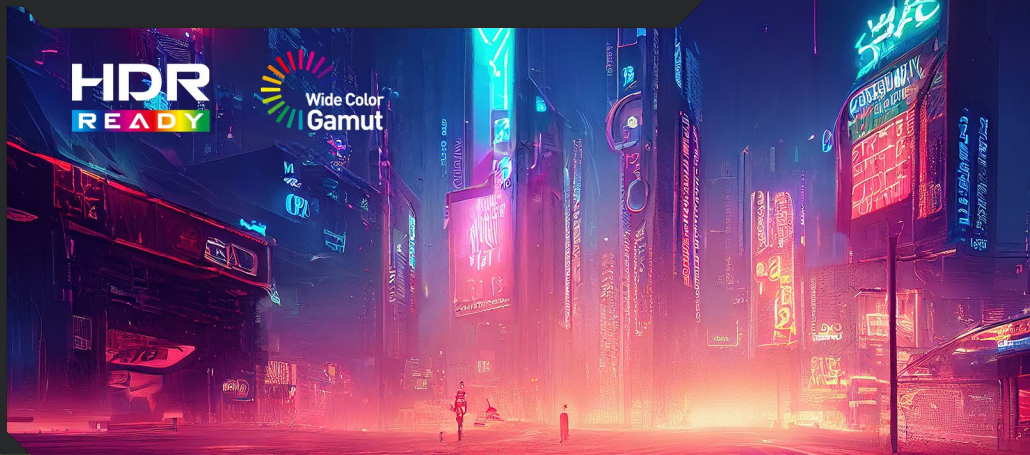

After the built-in HDMI™ CEC (Consumer Electronics Control) technology is connected to the PlayStation or Switch controllers, the controllers can be used to wake up the screen with different modes that can be adjusted for different devices. The monitor can also support VRR function through MSI Console mode. Feel free to enjoy the zero-tearing gaming experience without any image depression.

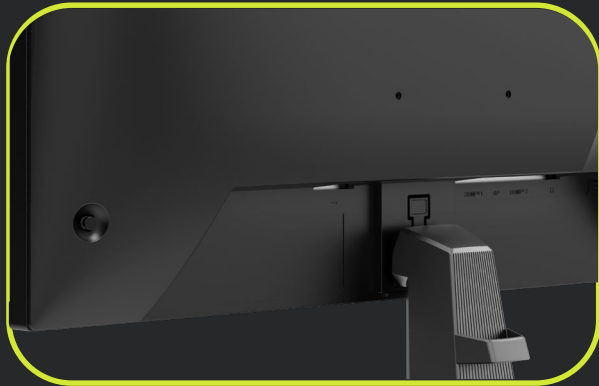

# The Most Vivid Display

The MSI monitor equipped HDR ready, produces images with more detail, a wider range of colors, and appearance more similar to what the human eye perceives compared to traditional monitors. It guarantees a superior gaming and multimedia experience by vividly rendering every detail with vibrant colors and exceptional clarity.

## Unique design

The exterior of the MSI MAG 275QF features a unique industrial design style that unfolds its crafted surface finishing.

# Tailored For The Perfect Hit

## Adjustable Stand

Tilt  
Adjustment  
-5° ~ 20°

Through adjustments of four dimensions, you can easily change the position of the monitor for maximum ergonomics and optimum viewing experiences.
