One-year International Travelers Warranty (ITW) Warranty

 Inty
 One-year International Travelers Warranty (ITW)

 Specifications vary depending on model.

 Shared system memory may be allocated to support graphics, depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by any memory used by the graphics solution and resources required by the operating environment.

 Memory speed may vary, depending on the CPU, chipset or memory fited.

 All brands and product, names mentioned herein include trademarks of their respective companies and are used solely to describe or identify the products

 Not all features indicated are supported on all SKUs.

 GB is 1 billion bytes. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Acer Recovery Management uses a portion of the stated hard disk capacity as dedicated backup space.

 Weight may vary depending on product configuration, vendor components, manufacturing variability, and selected options.

 Actual bittery life may vary considerably by specifications, depending on product model, configuration, applications, power management settings, operating conditions, and features utilized. Performance variation also arises based on components in use, which includes but is not limited to the processor, RAM capacity, storage, display and resolution, etc.
