

## Your affordable leap into the future

### Satellite Pro L50

The Dynabook Satellite Pro L50 is a well-rounded 15.6" laptop designed to bring the latest technology to an affordable price point. Combining ease of use with great performance thanks to its 11th generation Intel® Core™ Processor and up to 16 GB of DDR4 RAM, the Dynabook Satellite Pro L50 can comfortably handle general usage and multi-tasking without slowing down, for up to 11 hours\* on a single battery charge.

A truly 'Modern Device' according to Microsoft's high specification, the Dynabook Satellite Pro L50 weighs from as little as 1.7kg, yet is equipped with a full-sized keyboard and numeric keypad, along with a comprehensive set of ports including a USB Type-C port, three further USB ports and HDMI. Gigabit LAN is also included, plus WiFi 6 allowing you to connect wirelessly with blazing speed and reliability. Comprehensive security options and rigorous testing gives you peace of mind that your data is safe and your investment is protected.
